With Colonel Still in the box, Richmond won from the Champion Lynch-burgers yesterday afternoon by the score of four to two, and thereby sweetened to great extent the bitterness of a great extent the bitterness of the three straight defeats earlie in the week at the hands of Roa-noke.

in the week at the hands of Roanoke.

Carter did the twirling for Lynchburg and allowed but three singles; but two of these came at the wrong time, and together with a base on balls, and a batter who was hit, the Lawmakers sent three men over the rubber. This happened in the third inning and Lynchburg didn't score until the sixth, when two errors and two hits gave them two runs. Hamilton at third didn't handle Bowen's slow one in time and Hicks, out in rigle, garden, allowed Bentley's clean single to get through him. The runner took third, and Bowen scored. Wilson scored Bentley with a drive to center. These two runs were all the visitors could get.

They played an excellent game, and Carter's pitching was of the gilt edge order. But the Colonel had his curves breaking perfectly, and when he willed that the visitors not touch the sphere they didn't connect safely.

#### Proper Umpiring.

Proper Umpiring.

Umpire W. H. Hoffner, who was here at the opening of the season, handled the indicator yesterday, and he was monarch of all he surveyed. His decisions were given in a plain and loud voice, and he didn't for a minute tolerate any kicking. He showed this in the second inning, when he benched First Baseman Earl Holt, of the Lynchburg aggregation, for kicking. It happened when Shaffer, for Richmond, stole second and was called safe. Holt ran out to Hoffner and was ordered back to his position. He went back, but didn't remain there, and in another instant was out of his position. He went back, but didn't remain there, and in another instant was out of his position. He went back, but didn't remain there, and in another instant was out of his position and protesting again to Mr. Hoffner. Hoffner didn't say much this time, but waved his hand towards the bench and Holt had to go out of the game. McKesitt was brought in from right field and played at the initial sack, and Walsh, the star catcher of the league, went in right garden for the visitors. But the firmness of the umpire had stopped all senseless wrangling, and the grand stand stand senseless wrangling, and the grand stand stand stand senseless wrangling, and the grand stand stand senseless wrangling, and the grand stand stand senseless wrangling, and the grand stand

the star catcher of the league, went in right garden for the visitors. But the firmness of the umpire had stopped all senseless wrangling, and the grand stand applauded the umpire. The trouble was nipped in the bud.

It will be remembered that Fresident Jake Wells gave just this kind of instructions to the umpires and the players are in their own light to foolishly protest. Umpire Hoffner is the firmest handler of the indicator seen in Richmond.

Game a Good One.

The game yesterday was a pretty one from start to finish and the interest was never lagging. Richmond fans were do to the echo when the Lawmakers walked off the field with the first game of the series. And the champions were the gnes with the defeat proposition.

There was sadness in Lynchburg last there in goodly numbers and they cheered to the echo when the Lawmakers walked off the field with the first game of the series. And the champions were the first with the defeat proposition. There was sadness in Lynchburg last

There was sadness in Lynchburg last night.

The Shoemakers sent Daringer, the fast little shortstop, to but in the first, and he waited for four of them. Bowen sacrificed nicely and then Bentry and Wilson did the ozone act.

It was one, two, three with Richmond, however, until the third. In this inning Hinton walked, but was thrown out at second on Still's attempted sacrifice. Rose got four balls, pushing Still to second. Reeve singled and the bases were full. Hicks sent one to left-centre and Still scored. Rose came over also when Bentry dropped the ball. Hicks tagged the plate when Shaffer died at first.

Jack Anthony scored the fourth run in the stxth inning, when he landed safely and sent Shaffer over the plate.

## CHAMPIONS WERE THIRTEEN INNING GAME AT ROANOKE

Finally Ended in a Tie.

#### CARTER PITCHED FINE GAME DANVILLE'S GAME TO NINTH

Lawmakers Could Only Find A Pitchers' Battle, Though Roanoke Had Three Men On in the Twelfth.

(Special to The Times-Dispatch.)
ROANOKE, VA., June 7.—The first
thirteen-inning game of the season on the
home grounds was played here this afternoon between the locals and Danville.

ternoon between the locals and Danville, and resulted in a tie, 3 to 3, the game being called, on account of darkness. Willis, for Roanoke, pitched an excellent game and the support given him was almost perfect. The game was Danville's up to the ninth, when Smith batted for Willis, making a beautiful two-base hit, bringing in West, and scoring himself on Brown's hit, thus tieing the score. For four innings more it was a self on Brown's hit, thus tieng the score. For four innings more it was a pitcher's battle, though in the twelfth Roanoke had three men on bases, but were unable to score. In the second inning Benny was sent to the bench by the umpire.

wise worrying the pitcher. On the bases he is not so good—not as good as Titman.

Jack Anthony is a universal favorite in Richmond. He can play the outfield with the best of them and run bases all right. But recently Jack has dropped off in batting. This, too, in the face of the fact that he was good for one or two hits in every game last season.

Manager Shaffer is expected to release a pitcher within a few days, if, indeed, the twirler has not already received notice that another team was looking for him. The manager didn't say which one of the slab artists it would be, but there doesn't appear to be any danger of Still or Long being released. Laval has been doing fairly good work, and hence it looks as though Eckstone will be turned loose. Eckstone has speed and good curves, but he hasn't been able to win. He will likely get transportation to another city.

But Titman will be with Manager Kain, and there are many in Richmond who wish him the best of success in his new field.

The Ashland baseball team will leave to-morrow for Petersburg, where they cross bats in the afternoon with the strong Cockade City nine. Emporia, 5; Brownies, 3.

EMPORIA, VA., June 7.—The Emporia
boys took the third game from the Richmond Brownies to-day, after a hard
struggle. The Brownies worked hard to
capture one of the three games played,
but Captain Anthony's boys failed to
make good. The Emporia "Invincibles"
are willing to meet any nine that will
apply. The team this season far surpasses that of last year. The following
score showed how the trick went to the
locals to-day:

ST. LOUIS, June 7.—Hartzell's throw to the pavilion, which scored Controy and placed Chase on third, wherefrom he scored on a fly to the outfield, won a thirteen-inning game from New York, giving them an even break on the St. Ecore by innings:

DETROIT, MICH., Juna 7.— Patten was found for a double, single and triple in the fourth, and the fourth of the control of the co

safest and fastest base-runners for the Lawmakers.

Titman played twenty-five games for the Lawmakers. He got thirty hits. Anthony has played in twenty-five games and has gotten twenty-two hits. Rose has played in twenty-five games and gotten fifteen hits.

These figures are taken from the files of the paper, the official score by grinted in Richmond, and the Csclal scorer from each city sending a copy to The Times-Dispatch.

But the salary limit was the question that stood in the way, and there were four outfielders. Hicks, the leader of the Richmond team in hitting; Anthony, a good center fielder, but of late a poor batter, and Rose, the fastest left fielder in the league, but a poor base-runner and a poor hitter, will take the files in the fluture.

Rose can cover more ground in the field than any other man in the league. He proved this in yesterday's game, when he took one off the ground and robbed the batter of a hit. There are the when he took one off the ground and robbed the batter of a hit. There are few drives to the left garden that get by him. And as a watter Rose is good, often getting his base on balls and otherwise worrying the pitcher. On the bases he is not so good—not as good as Titman.

Jack Anthony is a universal favorite On January 18th last Mr. Davenport

On January 18th last Mr. Dåvenport made an application for the mares through M. Chiket, of the Turkish legation at Washington. President Roosevelt highly endorsed Mr. Davenport's plan, and shows great interest in the experiment. Mr. Davenport received word from Washington yesterday that his request had been granted.

It is more than twenty-five years since an Arabian horse has been brought to this country for breeding purposes. The Sultan at that time allowed two stallions to be exported, but refused absolutely to allow any mares to leave the country. It is believed that the importation of these horses will Make a big advance in the improvement, of horsefiesh in America.

Boat Crews. also joined the Elm City team. The loss of these men will cripple the team some, but they have some youngsters who are fast, and with a little experience, will make valuable men. At present Thirdbaseman Swift has charge of the team. Cross will be placed on first base, and if his work there is like that behind the bat, he will be the best Ashland has ever had. Cross is one of the hest allround players in the State, not only being a good catcher, but a good hitter and fast on the bases. He had an ofter this year from the Southern League, but turned it down on account of business here. Ellis, a youngster, will be placed behind the bat, and the games that he has caught so far he has given perfect satisfaction. Bridges, the star second-baseman, will be the mainstay in the lox. The last two games he has twirled, he has shut his opponents out without a run or hit. He has plenty of speed and good curves. The team will line up as follows for Saturday's game; Cross, first-base; Boone, second-base; Swift, third-base; Lancester, left-field; Rowe, center-field; Phillips, jehort-stop; Winston, right-field; Ellis, catcher; Bridges, pitcher. TRUSTEE'S AUCTION SALE

Highly Valuable and Most Desirably Located Broad-St. Property,

The old Purcell house, at Tenth and Clay Streets, which was this week sold by Green and Redd to James T. Sloam for \$7,506, as heretofore reported in this column, is one of the old landmarks of Richmond, Until this sale the property had been in the Purcell family three-quartors of a century. Something over fifty years ago the grand old mansion was built by Mr. John Purcell on what was then a very large plat of ground, a small farm, in fact. The locality was, known in those early days as "French Garden Hill." It obtained this name from the fact that a colony of very fine Frenchmen lived on and about the hill. Mr. John Purcell owned quite a tract of land surrounding the mansion he built—not only enough for an extensive garden, but also to make quite a crop of corn, wheat and other farm products. The house is a large one, with three stories, including the basement. The twelve rooms are large and airy being 22 by 27 feet and high pitched. The halls are also very wide and airy, and altogether it was one of the most comfortable houses in Richmond, and it seems a pity that it is to be demolished. Mr. Sloan, the new purchaser, is not yet fully decided whether he will convert the old mansion into an apartment house or tear it down and make eight tonements. In the latter event he would find nearly enough good material in the old house to build the eight new ones. Harrison and Grant yesterday, sold privately for B. H. Turner, Jr., the dwelling No. 602 North Twenty-fifth Street. Mrs. Lupina Evans was the purchaser, and the price paid was \$1,608. C. L. and H. L. Denoon have sold the brick store and dwelling at Charity and St. John Streets for \$3,000. The name of them purchaser is withheld.
